A NOTE ON THE DIFFICULT TIMES WE ARE IN

As humans, we have all been negotiating a global pandemic for the past year and a half. Many people have lost family and friends, people important to them. Most everyone has been isolated in their homes, which for many can mean a loss of social support and engagement. For some this means they’ve actually been in a hostile environment. BE KIND TO EACH OTHER. This means shaving patience not only with your peers but the SoTD staff & faculty as well. Negotiating trauma takes both support and accountability. I will expect you to fulfill course requirements, while being patient and sympathetic with the difficulty of the times: I ask for this from you in working with me, your peers, and yourselves, while we strive to do the same.”

For some resources on studying in unsupportive environments, please take a look at this resource list compiled by the UF Department of Psychology:

COURSE DESCRIPTION:

SoTD’s Contemporary Dance Practices technique curriculum is designed to focus the intellectual and physical abilities of students—majors, minors, and non-majors—to embrace the demands of the 21st century artist. Each of the four levels builds the required historical, aesthetic, and biomechanical foundations for graduating as a major in our dance degree programs. Likewise, the minor or non-major must recognize the classes as a pre-professional training ground by meeting the objectives at the appropriate level. When every student brings into every class their discipline and motivation, they will be ready to meet and greet the following goals common to each respective level of technique:

COURSE OBJECTIVES:
Demonstrate an ability to apply dance technique and performance skills to movement phrases and improvisational exercises.

Demonstrate growth and progression within the following five areas of evaluation:
  - PLACEMENT AND ALIGNMENT
  - CORE SUPPORT AND CONDITIONING
  - SPATIAL AWARENESS AND FULL BODY INTEGRATION
  - RHYTHMIC CLARITY/MUSICALITY
  - PROFESSIONALISM

Demonstrate a consistency of daily studio practice.

Apply their learned skill as a person/dancer/thinker/artist.

Within the classroom, demonstrate the ability to research movement through technical inquiry that includes the embodiment of physics and personal physical investigation.

COURSE REQUIREMENTS:

Form-fitting clothing is required for participation in class. This allows the instructor to see the lines of the body. Hair must be pulled back and secured away from the face and neck at all time. The following items are permitted for class attire:

COURSE EVALUATIONS: Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Click here for guidance on how to give feedback in a professional and respectful manner. Students will be notified when the evaluation period opens, and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via ufl.bluera.com/ufl/.

Summaries of course evaluation results are available to students here.

UNIVERSITY POLICY ON ACADEMIC MISCONDUCT: UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The Honor Code specifies a number of behaviors that are in violation of this code and the possible sanctions. Click here to read the Honor Code. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor in this class.

UNIVERSITY POLICY ON ACCOMMODATING STUDENTS WITH DISABILITIES:
Students with disabilities who experience learning barriers and would like to request academic accommodations should connect with the disability Resource Center. Click here to get started with the Disability Resource Center. It is important for students to share their accommodation letter with their instructor and discuss their access needs, as early as possible in the semester.

IN-CLASS RECORDING: Students are allowed to record video or audio of class lectures. However, the purposes for which these recordings may be used are strictly controlled. The only allowable purposes are (1) for personal educational use, (2) in connection with a complaint to the university, or (3) as evidence in, or in preparation for, a criminal or civil proceeding. All other purposes are prohibited. Specifically, students may not publish recorded lectures without the written consent of the instructor. A “class lecture” is an
educational presentation intended to inform or teach enrolled students about a particular subject, including any instructor-led discussions that form part of the presentation, and delivered by any instructor hired or appointed by the University, or by a guest instructor, as part of a University of Florida course. A class lecture does not include lab sessions, student presentations, clinical presentations such as patient history, academic exercises involving solely student participation, assessments (quizzes, tests, exams), field trips, private conversations between students in the class or between a student and the faculty or lecturer during a class session. Publication without permission of the instructor is prohibited. To “publish” means to share, transmit, circulate, distribute, or provide access to a recording, regardless of format or medium, to another person (or persons), including but not limited to another student within the same class section. Additionally, a recording, or transcript of a recording, is considered published if it is posted on or uploaded to, in whole or in part, any media platform, including but not limited to social media, book, magazine, newspaper, leaflet, or third party note/tutoring services. A student who publishes a recording without written consent may be subject to a civil cause of action instituted by a person injured by the publication and/or discipline under UF Regulation 4.040 Student Honor Code and Student Conduct Code.

COVID ADDENDUM

In response to COVID-19, the following practices are in place to maintain your learning environment, to enhance the safety of our in-classroom interactions, and to further the health and safety of ourselves, our neighbors, and our loved ones.

- If you are not vaccinated, get vaccinated. Vaccines are readily available at no cost and have been demonstrated to be safe and effective against the COVID-19 virus. Visit this link for details on where to get your shot, including options that do not require an appointment: https://coronavirus.ufhealth.org/vaccinations/vaccine-availability/
- Students who receive the first dose of the vaccine somewhere off-campus and/or outside of Gainesville can still receive their second dose on campus.
- You are expected to wear approved face coverings at all times during class and within buildings even if you are vaccinated. Please continue to follow healthy habits, including best practices like frequent hand washing. Following these practices is our responsibility as Gators.
  - Sanitizing supplies are available in the classroom if you wish to wipe down your desks prior to sitting down and at the end of the class.
  - Hand sanitizing stations will be located in every classroom.
• If you are sick, stay home and self-quarantine. Please visit the UF Health Screen, Test & Protect website about next steps, retake the questionnaire and schedule your test for no sooner than 24 hours after your symptoms began. Please call your primary care provider if you are ill and need immediate care or the UF Student Health Care Center at 352-392-1161 (or email covid@shcc.ufl.edu) to be evaluated for testing and to receive further instructions about returning to campus. UF Health Screen, Test & Protect offers guidance when you are sick, have been exposed to someone who has tested positive or have tested positive yourself.
