### Course Goals and Objectives

By the end of this course, students will be able to do the following:

- Recognize and identify administrative structures that support arts in health programs, specifically those at the student's practicum site.
- Demonstrate the ability to apply professional-level practices through collaboration, recognition of barriers, and implementation of decision-making and problem-solving skills in the arts in healthcare setting.
- Demonstrate advanced levels of self-directed practice evidenced by site supervisor evaluations and reporting of patient contact and administrative activities.
- Engage in critical self-reflection measured through writing and reporting assignments (Interaction Reports) and demonstrated through the development of personal approaches to arts in health (e.g., Discussion Board posts/comments, Creative Blog).
- Produce graduate level academic paper relevant to the populations at the student's Practicum Site or on a topic that the student anticipates for Capstone (MA students).

### Required Readings

- Machi, L. A., & McEvoy, B. T. (2016). *The literature review: Six steps to success*. Corwin Press. (e-version OR paperback).

### Assignments

Please thoroughly read and review the all assignment specifications in the **Assignments** section available in the **e-Learning** site. This will ensure you receive the most complete grade for your efforts.

### Class Participation and Late Assignments

Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at

<https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>

\***Late assignments** will receive a 5 percent late deduction per day for each of the first 3 days. If the assignment is turned more than three days after the due date, the assignment will receive an overall 25% deduction.

\***Missing Practicum Hours:** You must complete the required practicum hours (72 patient contact hours and 24 administrative hours). Note that if you do not reach 72 patient contact hours, the grade for that assignment will be reduced by 5 points for each hour missed. If you do not reach 24 administrative hours, the grade will be reduced by 3 points for each hour missed. If you have extenuating circumstances that prohibit you from reaching these hours, please discuss with your instructor/s as soon as you recognize an issue.

## **UF Policies & Guidelines (2020-2021)**

### ***Students Requiring Accommodations***

Students with disabilities who experience learning barriers and would like to request academic accommodations should connect with the disability Resource Center by visiting <https://disability.ufl.edu/students/get-started/>. It is important for students to share their accommodation letter with their instructor and discuss their access needs, as early as possible in the semester.

### ***Course Evaluation***

Students are expected to provide feedback on the quality of instruction in this course by completing online evaluations at <https://gatorevals.aa.ufl.edu/>. Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open. Summary results of these assessments are available to students at <https://gatorevals.aa.ufl.edu/>.

### ***University Honesty Policy***

UF students are bound by The Honor Pledge which states, "We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: "On my honor, I have neither given nor received unauthorized aid in doing this assignment." The Honor Code (<https://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/>) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.

### ***Software Use***

All faculty, staff, and students of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate. We, the members of the University of Florida community, pledge to uphold ourselves and our peers to the highest standards of honesty and integrity.

### ***Student Privacy***

There are federal laws protecting your privacy with regards to grades earned in courses and on individual assignments. For more information, please see:

<http://registrar.ufl.edu/catalog0910/policies/regulationferpa.html>
