Attendance Policy

Since a lot of the course is on online, and we have only 5 scheduled class meetings, attendance is required at all classes. Unexcused absences will lower the final grade automatically 1/2 a letter grade, i.e. ...1 unexcused = A to A-, 2 unexcused = A- to B, etc. Any excused absence will require written documentation that the student has been excused from school during the time in question. This includes all requests for permission to grant an excused absence for personal issues involving family, work, deaths, hardships, marriages, pregnancies, illnesses, financial problems, other exams, etc.

Tardy

A tardy is defined as not being in class when class begins. Members who arrive late to “3 classes” will have their grade lowered ½ letter grade.

ANNOUNCEMENTS THAT ARE PREPROGRAMMED INTO THE ONLINE PLATFORM

Title: STEP 1. Purchase course materials (located under Representative Text and/or Materials in the syllabus. Read and comprehend the entire Jazz Aural Skills Syllabus.

Read and print out the entire syllabus to prepare for Quiz 1. Quiz 1 will test you on your knowledge of syllabus and confirm you have a personal calendar with our class assignment dates listed in it.

Title: Announcements must be checked 3 times a week

You are required to check your announcement platform a minimum of 3 times a week and very frequently. You are responsible for all announcements posted and responsible for all e-mails sent to you from your instructor. If you miss an announcement during the week you will miss the points associated

with that announcement. This is the most important rule for this course to function smoothly for both students and instructors.

Title: FLEXIBLE SCHEDULE / MISSED ASSIGNMENTS

All assignment deadlines are listed in the syllabus and/or announcements.

SPORTS: Students enrolled in sports must keep your schedule and take tests early if you are unavailable during testing week. Assignments have multiple days for submissions to accommodate everyone's busy schedules so please plan ahead if you are busy during the final days that an assignment is open.

SPECIAL OCCASIONS: If you are getting married, are keeping a work schedule, have an athletic event, are leaving the country, etc., you are still responsible for all the due dates listed in the announcements (please plan ahead because there are no exceptions). We have given students ample time to complete all assignments and accommodate their schedules.

Title: ALL COMPUTER ERRORS MUST BE REPORTED BY SATURDAY WHEN ASSIGNMENTS ARE DUE.

All quiz assignments are open for a generous amount of time. With that in mind, only in serious emergencies should you take the risk of taking an assignment on the very last day it is due. If you do make this choice and something goes wrong, we may not be able to reset the assignment for you before the platform closes to the class. Once the assignment platform closes to the class it generally stays closed.

NOTE: If you have a technical error and report your computer error by Saturday, this gives the instructor time to reset your assignment and gives you time to re-take the assignment on Sunday before the platform closes. For these aforementioned reasons we recommended taking all assignments immediately as soon as they are released to the class. This minimizes a student's stress and allows them to feel comfortable to complete all assignments despite a sudden technology failure. For resetting assignments, each situation will be handled on a case by case basis and all variables involved will be considered.

Title: All students who are enrolled need to purchase the copyrighted materials to access this platform and course.

Everyone will have to purchase their own copy of the books listed in the syllabus. If you do not have the money to purchase the correct materials by the 2 Week of class, you may not take the course. You may only share books if you are married and you will have to submit the proper documentation to the instructor (e-mail using the platform). Thank you for your understanding in order to participate with the group everyone must have their materials and Real Book at every rehearsal.

Title: RULES FOR ONLINE QUIZZES

1. You must do all your work independently.
2. You may not work on any quiz together with another student.

3. You may not copy in any way the content in the online quizzes.
4. Distribution of course content by any student will be reported to the proper offices and action will be taken based on the offense.
5. To keep the playing field level for all students, if you receive answers to quizzes or exams from any student or source you should report it to your teacher immediately or you may be held responsible for possessing the materials.

Title: Quiz 1 and Your/ Personal Calendar

NOTE: Quiz 1 will quiz you directly on the content of the syllabus. You will be able to use your printed copy of the syllabus to take the quiz and you will need it to take the quiz. You must have your personal calendar filled out with our assignment dates listed in the calendar BEFORE you take Quiz 1. The quiz will make you answer “true” to confirm that you have a personal calendar and that you have already entered this class’s assignment dates into your personal calendar. Quiz 1 will confirm that you are aware of all deadlines and accountable to report conflicts in advance.

Make-ups for Exams or Other Work

In order to remain fair to all students enrolled in this course who are held to the same academic standard, make-ups for any assignment will require written documentation that the student has been excused from school during the time in question. Without this approval we cannot issue a make-up. This includes all requests for permission to grant a make-up for personal issues involving family, work, deaths, hardships, marriages, pregnancies, illnesses, financial problems, etc. We do apologize for this inconvenience, however, in order to be ethically in good standing, this documentation is needed to ensure the accuracy of all claims made.

If you are unwilling to consent to have your profile or video image recorded, be sure to keep your camera off and do not use a profile image. Likewise, students who un-mute during class and participate orally are agreeing to have their voices recorded. If you are not willing to consent to have your voice recorded during class, you will need to keep your mute button activated and communicate exclusively using the "chat" feature, which allows students to type questions and comments live.
