Course Components for Evaluation

- **Weekly Singing Assignments (10 TOTAL)**

Students will submit to CANVAS audio recordings of their assigned weekly singing examples. Singing examples will be posted to CANVAS in a weekly assignment module at the beginning of each week. Students will post their audio files to the assignment tab in the corresponding assignment portal for each Weekly Singing Assignment. Students **are required to use the moveable do system (including do-based minor) and a metronome** for all assigned examples. If a student does not use the above solfege system and/or a metronome, he/she/they will receive *half credit* on the assignment. Students will not receive credit on the assignment if they utilize a keyboard instrument to play along as they are singing examples. **Video files will not be accepted and will result in a zero being assigned!**

- **Weekly Rhythm Assignments (10 TOTAL)**

Students will submit to CANVAS audio recordings of their assigned weekly rhythm examples. Rhythm examples will be posted to CANVAS in a weekly assignment module at the beginning of each week. Students will post their audio files to the assignment tab in the corresponding assignment portal for each Weekly Rhythmic Assignment. Students **are required to use a metronome** at the assigned tempo during recording and execute the rhythm by “tah-ing,” counting, or other verbal method for all assigned examples. If a student does not use a metronome during the recording, he/she/they will receive *half credit* on the assignment. **Video files will not be accepted and will result in a zero being assigned!**

- **Weekly Dictation Assignments [Auralia and Canvas] (10 TOTAL)**

Students will submit weekly dictation assignments through Auralia and/or Canvas. On the Monday of each week an assignment is due, the instructor will post assignment instructions to Canvas and verbally go over the assignment in class. To be prepared for these assignments, students are strongly encouraged to review practice material set up in the Auralia program, review any supplementary instructional resources posted to Canvas as well as participate in class.

- **Singing and Rhythmic Sight Reading Tests (3 TOTAL)**

During testing weeks (*see course outline*), students will take a singing and rhythmic sight reading test. These tests will assess students’ ability to sing melodies and verbally execute rhythms at sight. Students are required to use moveable do (do based minor included) solfege on the sight singing portion of the test and can transpose the key to better fit their voice, if necessary. For the rhythmic sight reading portion of the test, students can “tah,” count, or use any other verbal method to execute rhythms.

- **Extra Credit Participation Quizzes (10 total—possible 2% points added to final grade)**

Throughout the semester, a quiz will be administered at the beginning of some classes. If the quiz is submitted and a student has made a reasonable attempt on it, credit will be assigned. Each quiz will be worth 0.2 percentage points; if all 10 are completed then 2% points will be added to the final grade. These quizzes cannot be made up as they are an extra credit option.

Course Policies

- **ELECTRONIC DEVICE POLICY:**

Tablets may be utilized during class time for notational and/or textbook (i.e. PDF version of singing textbook) reading purposes. However, cell phones, laptop computers, and other electronic devices are **not to be used in class** as they disrupt students' attention and distract both fellow classmates and the instructor. If students need to use their phone, they are welcome to quietly leave the classroom and return when finished. Any student who has a documented disability requiring use of an electronic device apart from a tablet during class must notify the instructor as soon as possible.

- Students are expected to come to class on time and prepared from sufficient work/practice outside of class.
- Students are expected to come to class prepared with the appropriate materials (i.e. pencil/manuscript paper/textbooks). *During testing weeks, textbooks and other materials are not required for class.*
- Students are strongly encouraged to use online resources and lectures (as shared and posted on Canvas by the instructor), programs in the Music Computer Lab (MUB 147), the Auralia program, and any other ear training resources to aid in their understanding of the course material and to aid in their ability to successfully complete assignments.

- **COMMUNICATION POLICIES:**

- The instructor and graduate teaching assistant will utilize email and Canvas as the main form of communication. Students are expected to respond to their instructor and TA's emails in a timely manner.
- **It is expected that students check their email and Canvas multiple times a week** to not miss important announcements, postings, assignment instructions/deadlines, etc.
- **Students are strongly urged to confer with the instructor on their progress or any issues or questions regarding the course.** Also, students are encouraged to seek out help from the instructor and/or graduate teaching assistant (TA) as soon as they encounter any difficulties. **Do not wait** until the end of the semester to consult the professor and/or TA if you are having troubles! **To communicate with your instructor, use your UF email account or Canvas. Students can meet with the instructor or TA during scheduled office hours, or with the instructor/TA during a mutually agreed upon outside office hour appointment (over zoom or in-person).**

- **ASSIGNMENT AND ATTENDANCE POLICIES:**

- All assignment guidelines and submittals will be available on Canvas (*note: multiple weekly diction assignments will need to be completed on the Auralia platform, outside of Canvas*).

- For each day an assignment is submitted late it will lose an entire letter grade off the overall earned grade. If not submitted by the end of the third day *after* the assignment deadline, a zero will be assigned.
- The instructor asks students to be communicative if any attendance issue presents itself.
- Requirements for class attendance and make-up tests/assignments are consistent with university policies that can be found at: <https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>
- It is expected that students attend class to ensure academic and musical success in Aural skills; however, to ensure flexibility for students, all this course's weekly assignments can be accessed, completed, and submitted online, if necessary.
- For makeup tests, the instructor asks from students for timely notification through email of a missed test and initiative on the student's part to schedule a makeup test within a timely manner.
