**Evaluation**

90% 4 Projects including exercises

10% Participation - Participation in class workdays, discussions, and critiques is expected, having materials for projects on time and participation in final studio clean up all will all be reflected in your participation grade.

## **Class Attendance Policy**

Attendance is required. Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies. Six unexcused absences will result in a failing grade. Excessive tardiness will also affect your grade. Roll will be taken at the beginning of class. Being late three times will equal one absence. Lateness of more than 30 minutes or early departure is considered an absence. Attending class unprepared for a discussion, critique, or workday will be considered an absence. A missed class does not constitute an extension of an assignment.

### **UNIVERSITY POLICY FOR RELIGIOUS HOLIDAYS**

### **UNIVERSITY ILLNESS POLICY**

### **UNIVERSITY ATTENDANCE POLICY**

**LATE WORK:** All projects, reading responses, and research projects must be completed on time for full credit. Specific due dates are stated on each project sheet and are announced in class. Failure to complete any project on time will result in a drop of one full letter grade, and failure to complete any other assignment, in-class exercises, or other class work, on time will result in a drop of ½ letter grade for each studio day it is late. If the timeline states that a project is due at the beginning of class, turning it in at the end or after class is considered late. You must have work finished before the start of class on critique days or your work will not be critiqued, and your project grade will be lowered. It is the student's responsibility to turn in all work on time. Full participation by showing completed work during all critiques is required along with active participation through shared ideas and commentary. An absence does not constitute an extension on the due date.

**CLASS COMMUNICATIONS:** Students must check their school email accounts regularly. Students are responsible for any information, deadlines, and updates posted on Canvas. Your instructor is accessible via this email only: [julia01@ufl.edu](mailto:julia01@ufl.edu) messages in the Canvas app will not receive replies.
