REQUIRED TEXTS

All students are required to have legal copies of all literature prepared for in lessons and performed in recital.

PURPOSES AND GOALS

Degree recitals provide capstone opportunities for students in the performing arts. A junior recital should consist of at least 40 minutes of music and a senior recital should be about 60 minutes in length.

ATTENDANCE

STUDIO AND LESSON ATTENDANCE IS REQUIRED OF ALL STUDENTS. Students are required to attend studio class and lessons and are responsible for all information presented or assigned. Attendance will be taken and participation in class is greatly encouraged. Predicted absenteeism should be discussed with the instructor no less than one week prior to the event. When possible, lessons will be rescheduled. **If you anticipate a scheduled absence, please consider "trading" lesson times with a colleague in the studio. This will ensure that Dr. Ellis and the UA organ will be available during the rescheduled time.** Any student missing studio class for any reason is responsible for getting notes and handouts from a fellow student, not the instructor. Tardiness and leaving early will affect attendance record. On certain days, some class sessions will not be in the regular classroom, so be sure to listen to announcements and read studio e-mails promptly!

If you must be absent, please contact me prior to lesson or studio time:

Phone: 352-273-3181; E-mail: lrellis@ufl.edu

- 1) Attendance and preparation for weekly lesson
- 2) Progress on recital literature
- 3) Submission of recital program & notes in a timely manner
- 4) Attendance and preparation for dress rehearsal

The Conduct Code specifies a number of behaviors that are in violation of this code and the possible sanctions. [Click here to read the Conduct Code](#). IN-CLASS RECORDING

Students are allowed to record video or audio of class lectures. However, the purposes for which these recordings may be used are strictly controlled. The only allowable purposes are (1) for personal educational use, (2) in connection with a complaint to the university, or (3) as evidence in, or in preparation for, a criminal or civil proceeding. All other purposes are prohibited. Specifically, students may not publish recorded lectures without the written consent of the instructor.

A "class lecture" is an educational presentation intended to inform or teach enrolled students about a particular subject, including any instructor-led discussions that form part of the presentation, and delivered by any instructor hired or appointed by the University, or by a guest instructor, as part of a University of Florida course. A class lecture does not include lab sessions, student presentations, clinical presentations such as patient history, academic exercises involving solely student participation, assessments (quizzes, tests, exams), field trips, private conversations between students in the class or between a student and the faculty or lecturer during a class session.

Publication without permission of the instructor is prohibited. To "publish" means to share, transmit, circulate, distribute, or provide access to a recording, regardless of format or medium, to another person (or persons), including but not limited to another student within the same class section. Additionally, a recording, or transcript of a recording, is considered published if it is posted on or uploaded to, in whole or in part, any media platform, including but not limited to social media, book, magazine, newspaper, leaflet, or third party note/tutoring services. A student who publishes a recording without written consent may be subject to a civil cause of action instituted by a person injured by the publication and/or discipline under UF Regulation 4.040 Student Honor Code and Student Conduct Code.
