COURSE DESCRIPTION:
Intermediate level classes in jazz combining technique, style and movement skills. Prerequisite: audition.
Credits: 2; can be repeated with change in content up to 6 credits. Prerequisite: DAA 1000 with minimum grade of C, or audition.
The purpose of this course is to continue to develop Jazz technique and to develop a “thinking body” through active participation and personal discovery. Drawing on a variety of influences, this class will emphasize moving with an ease in the joints and developing a grounded neutral body with an increased range of movement. There will be a focus of musical time and rhythms. We will focus on understanding and demonstrating the aesthetic attributes and styles of Jazz dance rooted in the history of Jazz evolution originating from African dance and music influences. We will become familiar with the vocabulary and terminology associated with Jazz dance. We will also focus on each individual student regarding style and performance quality.

OBJECTIVES:
With successful completion of this course you will be able to demonstrate correct body alignment during floor, center, and locomotor exercises as well as perform intermediate combinations and recognize aesthetic attributes of Jazz dance. We will concentrate on developing a technical proficiency, increased range of motion, and musicality of the dancer. We will explore warm-up, center practice and traveling combinations.

Please Note: Our work in the studios is designed to be challenging; physically, intellectually, and emotionally. Dance classes often involve touching. Physical contact may range from simple touch to correcting alignment. Students may also be asked to experiment with exercises that involve weight exchange. If you have a related medical consideration or touch is uncomfortable or triggers trauma, please notify the instructor at the start of the semester via email or personal meeting.

DRESS POLICY:
• Attire should be form-fitting and appropriate for movement. Jazz shoes may be used for across the floor and choreography portion of class. Socks recommended for warmup.
• Hair should be pulled back neatly and away from face.
• No warmers unless they are form-fitting. All warmers should be removed following warm-up.
• Knee pads are encouraged.
• No oversized clothing.
• Your ankles should be visible.
• No large jewelry, including all non-stud earrings, necklaces & watches.
• No chewing gum.

COURSE POLICIES:

ATTENDANCE
For classes that meet two times a week:
• Students can take 2 absences with no documentation and no penalty.
• If the third absence is unexcused, it will result in 5% deduction from the final grade.
• Excused or unexcused, on the third absence, a meeting is required with the instructor and/or area faculty to assess the student’s continued participation in the course.
• If the fourth absence and all subsequent absences are unexcused, each will result in an additional 5% deduction from the final grade.

• Requirements / opportunities to make up missed material for unexcused absences is up to the instructor’s discretion and may be made available through virtual classes or online assignments. **Communication is important.**

• Tardy Policy: You are late after role has been taken/class has begun. Points will be deducted for being late or leaving early for any reason. There will be a 5-minute grace period. Three tardies for regular class meetings equal 1 unexcused absence.

Any absence from class for the following reasons must be supported by official acceptable documentation to avoid a grade penalty:

- Illness - doctor's note must be on official letterhead with address and phone number, noting the date and time of visit and diagnosis verifying that an absence from class is warranted, doctor name and signature.

**Note:** Course materials will be provided to you with an excused absence, and you will be given a reasonable amount of time to make up work [https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/](https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/)

- Serious family emergencies
- Special curricular requirements (e.g., judging trips, field trips, professional conferences)
- Military obligation
- Severe weather conditions
- Participation in official university activities such as music performances, athletic competition or debate
- Court-imposed legal obligations (e.g., jury duty or subpoena)

To help organize accommodations, students should inform the instructor by the end of the second week of classes of religious observances of their faith that may conflict with class attendance this semester.

**MAKE-UP POLICY:**

**Dance Technique Class – Makeup Policy**

- You are responsible for all material covered during any absence
- There are no makeup options for unexcused absences
- Absences from Written Exams, Quizzes, Mid-Terms, and/or Finals may only be made up with approved documentation
- To earn credit (amount of credit determined by the instructor) for an excused absence you must do two things:
  1) Immediately after your return to class, turn in approved/legal documentation to instructor. If you need the original documentation, the instructor will accept copies.
  2) Make-up the class with an approved assignment submitted on the required date. If the assignment is to attend another class as a make-up, it must be the same technical level, or lower; student must request permission of that instructor.
**UF Absence Policy** The requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies. Please click the following link for details: [https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx](https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx)

GUIDING CONCEPTS

These following general concepts are applied to all areas of technical development and used by faculty to assess student progress:

“Self Awareness and Ensemble Skills

The student demonstrates an ability to retain an awareness of self while integrating their movement into spatial relationships with other persons and groups. The student should also demonstrate clarity in three-dimensional movements and an ability to sustain directionality in exercises and in phrases of substantial length.

Transitional Skills (Continuity of Flow)

Exercises should be performed with an understanding and dynamic use of different types of phrasing. Students should demonstrate an ability to sequence a variety of movements into an extended phrase: recognizing and moving through transitions and demonstrating follow-through of movement impulses as appropriate.

Performance Quality (Dynamic Awareness)

Each instructor will provide the class with specific movement and performance goals that delineate for the student: suitable use of energy, range of dynamics and movement qualities, the images or mind-set to evoke expressive and/or stylistic qualities and functional details
