Juries

Juries will take place at the end of each semester and function as a final exam of sorts for your applied lesson/studio grade. Students will prepare two selected works of contrasting styles to perform in front of a panel of judges (brass faculty) and will be assessed according to their preparation. Sight-reading may be administered during these examinations.

An end of the semester 8-minute brass jury is required of all students except those giving recitals during that period. Brass juries will take place in MUB 101 in front of the entire brass faculty. Students will be expected to play one-two selections chosen by the instructor and student as well as sight-reading.

Pre-professional juries (or PPJ's) traditionally take place at the end of the 4th semester of undergraduate study. These are 16 minutes long and typically include a performance of a solo work with piano accompaniment as well as a short, 2–3-minute presentation on the work and composer, sight-reading and copies of the student's resume handed out to the faculty. These rarely occur during the fall semester but in the spring, there will be a significant amount of PPJ's.

Brass Juries – Spring 2024, Monday, December 12th from 9:00 a.m.- 4:00 p.m.

A sign-up sheet will be posted outside of MUB 101 one week prior.

Juries will be required for each student unless you are performing a solo recital.
