Office hours: By appointment

Course Objective:

To rehearse and perform flute choir repertoire to the best of our abilities.

Materials:

Students will need a flute, a stand (for home practice), a metronome, and a tuner.
Student are expected to own a flute performance mask.
Music will be provided by the professor.
Students may also need access to a computer.

Description:

The flute ensemble meets once per week (Wednesdays at 12:50 pm in MUB 145) during the semester to rehearse. Attendance at these rehearsals and all performances is **mandatory**. Extra rehearsals may be called to prepare for performances.

Missed class policy:

If a student must miss a rehearsal, he or she must contact the professor at least 24 hours in advance if at all possible. Excused absences include absences due to illness or family emergency, or required exam for another course (if scheduled *during* our rehearsal). Because we only meet for one fifty-minute rehearsal, regular attendance is expected and **MANDATORY**.

Requirements:

Prepared for and attend each rehearsal (regular practice outside of rehearsal is *required*).
Performances: End of semester recital, Nov. 19 at 7:20 PM in MUB 101
Concert attire: black pants/long black skirt with solid brightly-colored shirt with sleeves.
There may be additional performances added at the discretion of the professor.

Grading:

Students' semester grades will be based entirely on preparation and attendance. If students are regularly unprepared, graded pop quizzes on music may be administered during rehearsal. For each unexcused absence, your final grade will be lowered (A becomes A-, A- becomes B+, etc...) Regular tardiness will also negatively impact your grade – 3 tardies will equal one unexcused absence. If you are ever in question about your current grade, please consult the professor. Late submissions of any work required will not be accepted.
