RELIVE THE JAZZ AGE AND JOIN US FOR A ROARING TWENTIES SPLENDOR AT HOME! This year's fundraiser for the School of Music and School of Theatre + Dance embraces the 2020s with an interactive virtual experience unseen at Splendor. Partnering with the artists and designers at the UF Digital Worlds Institute, we invite patrons near and far to dial in to this production—featuring student performances, live guests, and behind-the-scenes entertainment that blurs the lines between televised award show and 21st-century telethon. Pull your telephone off the wall and get ready to lay down some Benjamins at an all-new silent auction, accessible on your pocket radio. This one is ahead of its time—in full color!

THE SPIRIT OF SPLENDOR

In the theatre, concert hall, or at home, the spirit of Splendor remains the same. Funds raised offer crucial support to students in the form of scholarships, equipment, masterclasses, and professional development. Splendor equips faculty with resources to be agile and respond to immediate needs. Particularly now, that couldn't be more important. Splendor is the perfect opportunity in the virtual world we now find ourselves to safely connect with others who believe in the power of philanthropy.
