**Instructor:** To Arrange

**Meeting Times:** To Arrange

**Office Hours:** Varies with Instructor of Record

**Credits:** 2

**Prerequisites:** Senior BFA student, Approval of Project Advisor or BFA Faculty Coordinator

**Course Description:**

Senior project for Bachelor of Arts Theatre majors. Completion of a research project and/or preparation of a dramaturgical project to be undertaken with advisor's consent in the final semester.

**Purpose Of Course:**

The Senior Project in the BFA is designed as a capstone project for the Bachelor of Arts in Theatre track. Students enroll in THE 4959, usually during their senior year.

**Description of Projects:**

The Senior Project shall consist of a significant piece of work that will demonstrate the students' expertise in both the academic and practical fields of the theatre, resulting in a document of substantial length (usually 10-20 pages).

The Senior BFA student will select a final project in their major area of interest.

- BFA Acting and Musical Theatre students will use roles won through the SoTD block auditions. If not cast in a SoTD main stage play, students may elect to use a role from a Florida Players or Hippodrome production. Only under extenuating circumstances and on a case-by-case basis may students develop a project of sufficient scale and scope in a Studio Showcase.
- Design/Production students may elect to use projects in design or assistant design/technical direction on SoTD productions. Off-campus projects are discouraged, as shop and personnel support is often unpredictable.

**Objectives**

In this course students will:

- Identify and refine a research question or problem for investigation;
- Develop an appropriate methodology for researching and responding to the research question;
- Conduct a review of pertinent literature that supports this research project
- Integrate the knowledge acquired through a practical project and/or research

in a paper that documents the findings, methodology and implications of the project.

**Coordinator/Instructor of Record:**

The Undergraduate BFA Acting Coordinators are Susan Schuld & Tiza Garland, BFA Musical Theatre Coordinator is Tony Mata, and the BFA Design Coordinators are Mihai Ciupe (Scenic), Jennifer Dasher/Sarah Moench (Costumes), and Stan Kaye (Lighting). All BFA Senior Project proposals must be approved by the appropriate coordinator. However, every student is free to choose an alternate faculty member as the Project Advisor.

**REQUIREMENTS**

**Senior Project Proposal Form:**

A BFA Senior Project Proposal Form is required that describes a rationale for the project, goals or questions that guide its development, a proposal of related literature, methodology, discussion, and potential conclusions. The Project Advisor must approve the rationale and goals and the form must be signed by the Project Advisor and submitted to the SoTD Academic Advisor.

**Basic Requirement/Expectations:**

The student will:

1. Provide a written proposal to his/her Academic Advisor and senior Project Advisor that must be approved prior to the start of his/her project, no later than two weeks into the semester;
2. Keep a complete journal and record of research, sketches, drawings, budget, and promptbooks, as appropriate to the project.
3. Clarify the approach and topics to be addressed in the paper (create a paper outline);
4. Consult with his/her Project Advisor on a regular basis to discuss the status of the creative project;
5. In consultation with the project advisor, establish meeting times and deadlines for drafts and final submission of the paper;
6. Submit the paper for review according to predetermined deadlines. In order to guarantee sufficient time for grading, the submission date will usually be no later than one week before the final day of classes.

The Project Advisor may attend rehearsals, performances, design/production meetings, shop sessions, and/or fittings (when appropriate and within reason) upon the student's request.

**Scheduled Meeting Times:**

Meetings are to be arranged between the BFA Student and the Project Advisor.

The student is responsible for keeping the Project Advisor up-to-date on his/her progress.

Prior to starting the project, BFA students must clarify with their Project Advisor all the expectations for the BFA Senior Project including draft deadlines and submission dates.

**Grading:**

The project grade is assessed by the Project Advisor, based primarily on the quality of the written work submitted. Credit toward graduation is granted only if the student's work results in the grade of "B" or better.

BFA Acting Projects will include an assessment of:

- The construction of a personal process for character creation and actualization.

BFA Musical Theatre Projects will include an assessment of:

- Analysis and interpretation of musical theatre styles and history as applied to performance.

BFA Design/Production Projects will include an assessment of:

- The application principles of two and three-dimensional design aesthetics in relation to costume, lighting or scenic design for live performance as a method of bringing text, choreographic work or public exposition to the stage.
- Organizing, developing and participating in a creative process resulting in a live performance that incorporates successful application of design and technological principles.
